Subject: POTUS SIOP Brief

CLASSIFICATION: ~~SECRET~~

Ma'am,
This morning, during Col Kuehl's interview, the question on POTUS receiving a brief on the evening of 10 Sep came up again. Miles Kara indicated the got this from the NAOC ops log. He is referring to the 10/2334Z entry which reads "NMCC GG 328J - POTUS briefed on SIOP".

This entry indicates NAOC received a 328 message (an Emergency Action Message) from the NMCC saying the POTUS was briefed. The GIG in front of the 328 identifies it as a Global Guardian exercise message. This was an input in support of the on Global Guardian exercise which was on-going during the 9-11 attacks. Hope this clarifies the issue.

Request you forward to Miles and the Commission.
